In the world of all things Post-apocalyptic, Apocalipstick by Lisa Acerbo is my latest hidden gem find, the one that I didn't see coming until the author pointed it out to me! The apocalypse has come, mindless, decomposing,

flesh-eating monsters are roaming the land, human survivors are few and far between, banding together when possible, but ANOTHER group has also evolved! If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indie authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.
