... Its in-depth elementary presentation is intended primarily for students in science, engineering, and applied mathematics. Emphasizing the physical interpretation of mathematical solutions, this book introduces applied mathematics while presenting partial differential equations. Haberman, Applied Partial Differential Equations | Pearson Richard Haberman is Professor of Mathematics at Applied Partial Differential Equations with Fourier Series and Boundary Value Problems, (Featured Titles for Partial Differential Equations) 5th Edition. Appropriate for an elementary or advanced undergraduate habernan course of varying lengths. Also appropriate for beginning graduate
