In some cases, you may also find  
free books that are not public  
domain. Not all free books are  
copyright free. There are other  
reasons publishers may choose to  
make a book free, such as for a  
promotion or because the  
author/publisher just wants to get  
the information in front of an  
audience. Here's how to find free  
books (both public domain and  
otherwise) through Google Books.
