You can search Google Books for any book or topic. In  
this case, let's go with "Alice in Wonderland" since it's  
a well-known book, and there's probably a free eBook  
or two for this title. The original work is in the public  
domain, so most of the variations are just with  
formatting and the number of illustrations included in  
the work. However, you might also run into several  
copies for sale, as reformatting the print copy into an  
eBook still took some work. Some of your search  
results may also be related works with the same title.
