If you can't find many, think about re-organizing your presentation so that there are more individual pieces that you can pause in between, pacing the story out. 2. Make clear notes of those breaks and force yourself to take them during your presentation. Write into your script (or burn it into your brain) the note to take a pause.

## **15 Storytelling Tips And How To Apply Them Today**

If you're applying to college, you'll most likely need to write a personal statement as part of your college application. But before diving into analyzing some great personal statement examples, it helps to get some context on what a personal statement actually is, and what writers should plan to include when writing their own personal statement.
