How To Answer Inference Questions In order to successfully answer inference questions, you must make sure you understand the question; Look for context to help if the lines/words mentioned in the question aren't enough; Answer the question in your own words before looking at the SAT's answer choices; Nail down other SAT Reading skills to help you with inference questions Inference Questions on SAT Reading: 6 Strategies For inference questions, you're normally required to do one of these four things: Identify a logical consequence of a statement or of two statements taken together Infer the intended meaning

of a word that's used figuratively in the passage
Determine the author's attitude toward the passage's
topic ... LSAT Reading Comprehension: How to Answer
Inference Questions This is because when it comes to
drawing conclusions, there isn't really a "right answer".
If you are asked a question about a text that you've
read thoroughly, just about any inference you make, as
long as it is supported by evidence and answers the
question in its entirety, can be considered
correct. Make an Inference Practice Questions -
ThoughtCo Inference Questions on SAT Reading: 6
Strategies Inference questions make up nearly 15% of
all SAT Reading questions (based on analysis of four
publicly available new SATs). Answering inference

questions correctly requires the ability to take information given in the text and then draw logical, supported conclusions from it. How To Answer History Inference Questions To correctly answer the question, first you must read the question carefully. Then, you must find the key word in the sentence, before finding it in the paragraph. Read the sentence that contains the key word, and also read the sentences immediately before and after the key words. Master the Inference Questions on the TOEFL iBT Reading ... How to Identify an Inference Question One crucial part of your studies is learning how to identify question types. Without knowing what you are asked to do, you can't be successful. Usually the question stem will have a word

or phrase that will signal it's an inference question, like "infer," "imply," or "suggests." Inferences Questions in GRE Reading Comprehension ... Now that you're certain you have an inference question on your hands, and you know exactly what an inference is, you'll need to let go of your prejudices and prior knowledge and use the passage to prove that the inference you select is the correct one. Inferences on a multiple-choice exam are different from those in real life. How to Make an Inference in 5 Easy Steps Within each of these categories there are many different things that inferences can be made about. This resource suggests what to ask inference questions about and gives examples of inference questions you can ask. It also

provides suggested answer structures to use when modelling answers and for the children to use.
