London Underground

Overground is denoted by a sector colour, a vivid orange, specified as Pantone 158C. This colour was inherited from the former East London line, whose operations are to be incorporated into the Overground system. London Overground also appears on the Tube map in its corporate orange. Concurrent with the presentation of the DLR, London Overground is shown as a double stripe rather than a solid line, to denote its status as a franchised line operating ...
