Learning Structures | Play Encyclopedia At Hunterdon Central, world language teachers have collaboratively developed areas of focus which nurture student agency in learning. These areas include increasing student spontaneous language production through the interpersonal domain and integrating student self-assessment based on common ACTFL-aligned rubrics. New Jersey Student

Learning Standards: World Languages Explanation The concept of agency has been central to educational thinking and practice for centuries. The idea that education is the process through which learners become capable of independent thought which, in turn, forms the basis for autonomous action, has had a profound impact on modern educational theory and practice.
