Slide Ology The Art And Slide:ology is a combination of the words slide (as in PowerPoint slide) and ideology, which is an apt description for the book. Although there are specific prescriptions for making successful presentations, the book does a better job at presenting Nancy Duarte's ideology (although I would use the word methodology) for crafting presentations. Amazon.com: slide:ology: The Art and Science of Creating ... There's an art and science to creating great presentation slides and Slide:ology gives you insight into both. When making presentations, you need to think visually. However, most organizations don't train people in
