capitalism at work. The Suez Canal was undoubtedly a strategic and economic asset to Great Britain as a means of protecting and trading with India; by purchasing the Khedive's shares, Britain had gained a financial asset (and potential liability) as well. How does access to this work benefit you? Let us know! In historical contexts, New Imperialism characterizes a period of colonial expansion by Western European powers, the United States, Russia and Japan during the late 19th and early 20th centuries. The period featured an unprecedented pursuit of overseas territorial acquisitions. At the time, states focused on building their

Wikipedia LONDON - In the United
States, for people of a certain age,
Margaret Thatcher was a superstar,
and Americans have been surprised
at the sharply divided views on
display in the Britain that she
governed for 11 years. But Britons
were not astonished. Like Tony
Blair, Thatcher has long been a
British product with more appeal in
export markets than at home.
