thinking about sexuality is largely informed by the "repressive hypothesis," which claims that the history of sexuality over the past three hundred years has been a history of repression. Sex, except for the purposes of reproduction is taboo. The only way to liberate ourselves from this repression, according to this hypothesis, is to be more open about our sexuality, to talk about sex, and to enjoy it. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).
